Appl. No.: 10/571,088

Filing Date: July 10, 2004

Title: SKIN AND/OR HAIR TREATMENT AGENT CONTAINING TETRASUBSTITUTED  
CYCLOHEXENE COMPOUNDS

Attorney Docket No.: P29238

Pub. No.: US 2007/0028400-A1

Pub. Date: February 8, 2007

This is a decision on the request for a corrected patent application publication under 37 CFR 1.221(b), received on March 1, 2007, for the above-identified application.

The request is DISMISSED.

Applicants request that the application be republished because the country of residence for four of the five inventors is shown as the United States and not Germany. Also, Applicants request that the application be republished because the address information for the first inventor has changed.

37 CFR 1.221(b) is applicable "only when the Office makes a material mistake which is apparent from Office records. Any request for a corrected or revised patent application publication other than as provided in paragraph (a) of this section must be filed within two months from the date of the patent application publication. This period is not extendable." A material mistake must affect the public's ability to appreciate the technical disclosure of the patent application publication, to determine the scope of the patent application publication, or to determine the scope of the provisional rights that an applicant may seek to enforce upon issuance of a patent.<sup>1</sup>

The instant request does not identify a material mistake in the publication made by the Office under 37 CFR 1.221(b) with respect to the inventors' residence information. The error does not affect the public's ability to appreciate the technical disclosure of the patent application publication, determine the scope of the patent application publication, or determine the scope of the provisional rights that an applicant may seek to enforce upon issuance of a patent.

Applicants are advised that a "request for republication of an application previously published" may be filed under 37 CFR 1.221(a). Such a request for republication "must include a copy of

the application in compliance with the Office electronic filing system requirements and be accompanied by the publication fee set forth in § 1.18(d) and the processing fee set forth in § 1.17(i)." If the request for republication does not comply with the electronic filing system requirements, the republication will not take place and the publication fee set forth in § 1.18(d) will be refunded. The processing fee will be retained.

Any request for republication under 37 CFR 1.221(a) must be submitted via the EFS system as a "Pre-Grant Publication" and any questions or request for reconsideration of the decision should be addressed as follows:
